

## SHARE YOUR STORY and INSPIRE MEN of PI KAPPA PHI

**Servant leadership is what sets us apart.** Paired with the passion of our students, family, staff and friends that support our mission and programs, we are making a difference in the lives of people with disabilities and the men of Pi Kappa Phi – and we want to hear from you!

If you are a Pi Alpha that has completed a summer event, a parent/guardian that has witnessed a change in your son since getting involved with Pi Kappa Phi and The Ability Experience, or an alumnus that was involved as an undergraduate at your chapter, we encourage you to share your story.

**Be confident.** We want to hear your story and share it with our community of supporters. If you're unsure of where to start, focus on your introduction to The Ability Experience and how you chose to get involved in our programs.

**Be open.** This is an opportunity for you to share your story and all the people that you met that changed your life forever. Working with people with disabilities is very rewarding, and this is your chance to share any struggles or obstacles you encountered along the way.

**Be concise.** While every detail of your story is important, we suggest keeping it between 300-500 words.
