Hello Journey of Hope Parents and Families!

Welcome to [The Ability Experience](#) and [Journey of Hope](#)! If you are receiving this email, your son has applied and been accepted to the 2024 Journey of Hope team. Congratulations! You and your team member are in for an amazing ride over the coming months!

Our mission is to use shared experiences to support people with disabilities and develop the men of Pi Kappa Phi into servant leaders. By committing to Journey of Hope, your team member is embracing this mission and all that it encompasses.

Over the next several months your son will be working hard to fundraise, train and prepare for a summer that will change his life. We are excited to welcome you to The Ability Experience family and want to make sure you have all the information you need to support your team member through his journey. In addition to the **Journey of Hope Participant Center** (coming soon) and [The Ability Experience](#) website, I will be your first point of contact for questions you do not find answers to online.

Here's what you can expect from us during the coming months:

- Team kickoff webinar for team members and their families. Team members are required to attend one of the two sessions. Parents/families are strongly encouraged to join as well!
 - Sunday, December 17, at 7:00pm ET

 - Tuesday, December 19, at 7:30pm ET
<https://us06web.zoom.us/j/87848721277?pwd=ZpQPiOO8SszVqE4WITER8Xwilze2md.1>
- Access to the **JOH Team Participant Center** for detailed gear requirements and recommendations, a library of these emails, web links, webinar recordings and other important resources.
- Regular email updates from me with any short-term need-to-know items.
- 2 webinar presentations with our President and Executive Director, Basil Lyberg, which take a deeper dive into the details of the organization and the program.

As we move closer to the summer, you will receive additional information and dates pertaining to specific route assignments, Team Orientation, Kickoff Celebrations, Family Visits in Denver, CO (July 2-4), and the Journey of Hope Arrival celebration in Washington, D.C. (Aug 10). Team members will receive their route assignments around April 1, 2024, so please do not make any pre-trip travel arrangements until that time.

One of the first questions we get from parents is “How can we help?” SUPPORT is the primary answer. A recent JOH participant commented that preparedness comes as much from the heart as from the body. When his heart is engaged, he’ll be inspired to do what is necessary for success. Encourage your team member. As you can imagine, preparation is necessarily rigorous for an event of this magnitude. We provide benchmarks and deadlines for both training and fundraising as well as extensive support from our staff and team of professional cycling coaches. However, you can help him stay on task. In addition, you can help him remember WHY he is making this journey.

I am here to discuss any questions or concerns you might have regarding our events. Please do not hesitate to email me or call my office at (980) 318-5380. I look forward to staying in touch!

Kind regards,

Liza
